

2° TROPHY “ CITY OF FIUGGI “

Fiuggi has preserved over the centuries the character of rural civilization, managing to preserve its immense natural resources from pollution risks increasingly evident elsewhere.

Its dense forests of chestnut trees are in fact not only a great natural heritage but also the best safeguard of its hydrogeological system.

Located 30 minutes from Rome, 700 mt. above sea level, Fiuggi enjoys an enviable climate: temperate, and always windy in the summer months, dry and not too hard in the winter months, this is chosen as a summer retreat by many professional teams, such as SSLAZIO.

Fiuggi is now a town of 10,000 inhabitants, and also one of the most important spa in Europe, suitable for young tourists because of the "movida", to families looking for relaxation and for those who indulge in beauty treatments. The Terme di Fiuggi host free tournament participants for a day.

After the beautiful first edition held in June of 2011, we decided to move the event into the Easter period. The "TROPHY CITY 'OF FIUGGI" organized by APD EUROPE TOURNAMENT is authorized F.I.G.C. .

The playgrounds (all in natural grass) are located in Fiuggi, Anagni, Piglio, Alatri.

The event is held under the auspices of the City and the Terme di Fiuggi. Technical collaboration of the Society Sports LO.FRA.
