The referees belong to the Catalan College of Referees and will be appointed by the Barcelona Territorial Committee.

ORGANIZING COMMITTEE

- Appoint the tournament management.
- Designate the table staff for each court, responsible for the development of the matches.
- Form the Competition Committee together with each field judge.

COMPETITION COMMITTEE

- Made up of 5 people.
- You can modify any point of the regulations or aspect of the tournament (changes will be communicated).
- It will meet every night on a mandatory basis and, when deemed appropriate, on an extraordinary basis.

CATEGORIES, AGES AND PLAYING TIME

Division of age categories for the 2026-2027 season:

Category	Year
Girls U12	2015 - 2016
Girls U14	2013 - 2014
Girls U16	2011 - 2012
Girls U18	2009 - 2010

Regardless of the category or phase, all matches will be played in the best of three sets: the first two to 25 points (with a difference of two points, up to a maximum of 30) and the third, only in the event of a tie, to 15 points (with a difference of two points, up to a maximum of 20).

The warm-up time with the ball will be 5 minutes; warm-ups without the ball may be performed off the court. The rest period between sets will be 3 minutes, and each team will have a 30-second time-out per set.

The organization will provide the official game ball for matches and warm-ups.

PLAYER PARTICIPATION

a. Each team will be allowed two players, provided that these players may simultaneously belong to two teams from the same club, provided that one of those teams is in a higher age category than their own. For example, an under-18 player may participate in the under-18 team, but a under-18 player may not participate in the under-18 team. In addition, the table staff must be notified before the start of the match.

b. A player may not play in two teams from the same club and same category (for example: playing in the Alevín A and Alevín B teams).

c. In the event of an improper alignment of any player, the match will be declared lost by the offending team (0 to 2 sets = +0 points for the offending team and +3 points for the opposing team).

NUMBER OF PLAYERS AND SUBSTITUTES

- 6 changes can be made per set.
- An expelled player cannot play the same match again.
- The call-up will be open, there is no limit on the number of players per match.

DOCUMENTATION

The wristband granting access to the playing areas will be handed out on the first day to players and coaches included in the official list. During matches, everyone must wear the wristband and carry their official identification document (ID card, passport or federation licence).

If there is any doubt about the age of an opposing player, the coach or registered representative may request verification from the table staff at the end of the match, in the presence of the other team's representative.

If a player is not properly documented, with ID, federation card or passport, and plays a match, his team will lose the match (0 to 2 sets = +0 points for the offending team and +3 points for the opposing team).

CLASSIFICATION CRITERIA

Points per game system:

a. Points per game won + 2 points.

b. Extra points for winning all sets + 1 point.

c. Extra points for winning at least 1 set + 1 point.

In the event of a tie on points between two teams in the same group: a) result of the match between them, b) difference in sets for and sets against, c) difference in points for and points against and d) by draw.

In the event of a tie on points between three or more teams in the same group: a) difference in sets for and sets against (considering only the matches played between the teams involved), b) difference in points for and points against (considering only the matches played between the teams involved) and c) by draw.

In the event of a tie on points between two or more teams from different groups: a) difference in sets for and sets against, c) difference in points for and points against and d) by draw.
In situations where groups are formed with a different number of teams, a coefficient will be applied to ensure fairness. This coefficient will be calculated by dividing sets won by sets lost, and likewise, points won by points lost.

If, due to force majeure, one or more matchdays or matches have to be suspended, one point will be awarded to each team. If the suspension occurs while a match is being played, the match will be considered finalized and the current result will be considered valid.
The Organization reserves the right to modify the track in each of the tournament categories at any time it deems appropriate.

PUNCTUALITY

Teams must be on the playing field at least 15 minutes before the start of the match. If a team arrives 10 minutes late or does not show up, the match will be considered a loss (0 to 2 sets = 0 points for the offending team and 3 points for the opposing team). If the delay can be justified and was not caused by the team (bus breakdown, serious traffic problems, accident, etc.), the Tournament Management has the authority to decide whether the match should be played.

If a team causes the match to be suspended, the result will also be considered a loss (0 to 2 sets = +0 points for the offending team and +3 points for the opposing team). This rule also applies to serious off-court fouls. Tournament management reserves the right to exclude the team from the remainder of the tournament and report the incident to the relevant national federation. The organizer holds delegates and/or coaches responsible for the actions of players in the event of damage to facilities or accommodations.

CLAIMS

Any claims must be submitted in writing to the Tournament Management no later than 15 minutes after the end of the match (cost: 50 euros).

The decision will be made and made public before the start of the next match day. If the claim or protest is successful, the 50 euros will be refunded.

The only ones who can make claims are those registered as coaches or delegates on the registration sheet.

EXPULSIONS

a. If a sanctioned player participates in a match, her team will automatically lose (0 to 2 sets = +0 points for the offending team and +3 points for the opposing team).

b. All cases of serious expulsion will be reported to the National Federation of the country of the affected player.

c. If a coach repeatedly complains to the referee or the organization, he will be warned. If he continues to display unsportsmanlike behavior, the team will be expelled from the tournament under his responsibility.

d. Similarly, if the fans behave in an unsportsmanlike manner and the members of their club do nothing to prevent it, the Competition Committee will decide whether the team is expelled from the tournament.

e. If a team is expelled from the tournament, it will automatically lose all its matches (0 to 2 sets = +0 points for the offending team and +3 points for the opposing team), including those already played.
